

The Civic Government (Scotland) Act 1982

Design Certificate for the Erection of a Raised Structure

(Form S89-2)

I hereby certify that the raised structure at :-

.....
.....

for the purpose of :-

.....
.....

the structure has been designed in accordance with the recommendations of British Standard (BS) 5950. The steel tubes and fittings comply with BS 1139* and all other materials with the appropriate British Standard Specification.

I also certify that the structure will be adequately supported on firm ground of the required bearing capacity, or otherwise adequately supported (give details of structure including access and means of escape) and complying with **BS 5973**.

Before use of the structure a "Certificate of Completion of Erection" is required to be signed and returned to Building Standards Section, Opera House, 8 John Finnie Street Kilmarnock, KA1 1DD Tel: 01563 576790
