CROSSHOUSE PRIMARY SCHOOL and COMMUNICATION CENTRE: CAPITAL INVESTMENT INFORMATION SESSIONS

Dear Parent/Carer

Following agreement by Cabinet on 24 January 2018 to increase the budget for the primary school and communication centre project to £6.200m, I am delighted to let you know that initial concept designs are now available for you to view. These designs are a result of collaboration between ourselves and EAC architects to ensure that they meet the needs of all our children.

All staff and children in the primary school and communication centre will be able to view the plans and provide feedback. As parents and carers it is also important that you are involved in this process. The plans will be available for you to view on the following dates/times –

Monday 18 th June	1.30 – 4.00pm
Tuesday 19 th June	1.30 – 4.00pm
Monday 25 th June	1.30 – 4.00pm
Tuesday 26 th June	1.30 – 4.00pm

As part of this consultation process, there will be feedback forms available to anyone who wishes to comment on the proposed design.

For those parents and carers who are unable to attend on any of the above dates/times, a copy of the plans and a feedback sheet will be available online. To access online google: 'Investing in East Ayrshire Schools' and click on the link to Crosshouse Primary School and Communication Centre.

Kind regards
