Introduction

The Housing (Scotland) Act 2001 introduced Registered Tenant Organisations (RTOs) to give tenants' and residents' associations, which meet certain criteria, a recognised role in the tenant participation process.

Registration puts responsibilities on the Council as a landlord to consult with Registered Tenants Organisations on issues that affect them. In addition, the Council is required to take notice of the representations made by Registered Tenants' Organisations.

East Ayrshire Council's Register of Tenant Organisations is a public document which is available for inspection at all Neighbourhood Housing Offices and published on the Council's web site at www.east-ayrshire.gov.uk

New tenants' associations will be supported through the registration process.

This document provides details of the following Registered Tenant Organisations:

- Name of the group
- Area the group represents
- How to contact the group
