

# Kilmarnock Town Centre Regeneration

Kilmarnock Townscape Heritage Initiative (THI)

Completed projects; The Opera House development and Fanny by Gaslight building repair project.

The Opera House development started in July 2011 and completed in September 2012. Grant funding was used for the restoration of the retained facade along with high quality materials for the new building element. The grant funding totalled £627,095.

Fanny by Gaslight pub underwent building repairs during April to October 2012. Roof repairs, stonework repairs and refurbishment of the windows and shopfront have resulted in a successful repair project for this building. The reinstatement of the historic balustrade on West George Street is a particularly interesting aspect of this project. Grant funding totalled £226,850.
