

MARKET OPERATORS

CONDITIONS

1. The layout of the market shall be as indicated on the sketch annexed and no stall shall be located within the market otherwise than in the locations for stalls indicated on the sketch.
2. The licensee shall ensure the availability of suitable and sufficient toilet and sanitary arrangements to the satisfaction of the Licensing Authority.
3. The licensee shall take effective steps to ensure that passageways within the market, and the means of escape from the market in the event of fire, are kept free and unobstructed at all times when the market is open. In particular, no goods shall be displayed and no goods or equipment shall be stored or allowed to stand within the passageways.
4. The licensee shall take effective steps to ensure that any sale of food within the market is carried out in accordance with the provisions of the Food Safety Act 1990.
5. The licensee shall keep the market in a clean and tidy condition at all times during the operation of the market to the satisfaction of the Licensing Authority. The licensee shall also take all steps necessary to ensure that all litter and other waste is collected and disposed of from the market site at the end of each market day.
6. The licensee shall ensure that adequate and effective lighting is provided throughout the market and the approaches to it whenever it is open. If the licence is for an indoor market the licensee shall ensure that a form of emergency lighting is provided.
7. The licensee shall take effective steps to ensure that neither he nor any stallholder, nor any employee of himself or of any stallholder, nor anyone else does anything that causes or creates a risk of a fire or other hazard dangerous and injurious to the life, health and safety of persons in the market.
8. Fire fighting equipment shall be provided and maintained throughout the premises in accordance with the recommendations of the Firemaster.
9. All exit doors and any other means of escape in case of fire designated by the Firemaster shall be openable from inside the market whenever the market is open. If the licence is for an outdoor market the licensee shall ensure adequate access is provided at all times for Fire, Police and Ambulance vehicles.

10. All stalls, passageways and market facilities shall at all time be maintained in good order and a clean and safe condition.
11. Adequate facilities for first aid should be readily available within the market and notices shall be prominently displayed indicating the location of these.
12. The licensee shall take effective steps to maintain order and ensure public safety within the market whenever it is open.
13. A copy of this licence and of the annexed sketches shall at all times be displayed in some conspicuous place within the market.
