

Aerial View of South East Elevations

SIZING :
 This drawing must not be scaled, only written dimensions to be respected.
 Contractor must verify all necessary sizes & particulars on site prior to commencing work.

ELECTRICAL :
 All electrical installations to comply with BS 7671 : 2008 (2011) IET Wiring Regulations in addition to East Ayrshire Council's electrical specification.

CDM :
 The Principal Contractor will be required to comply with the requirements of the current CDM regulations on all projects, and will need to liaise with the Council's appointed CDM Co-ordinator on any HSE notifiable projects. Please note CDM is the responsibility of all persons in the Design & Construction process.

ASBESTOS :
 No works to commence without an appropriate asbestos survey being in place. Where materials are thought to contain asbestos, stop any work, keep all persons out of the area. Close, seal or lock off the area (where practicable) Do not remove any tools or materials. Inform the principal contractor who will contact the appropriate person within the council.
 Specialist contractors must be appointed for the removal & disposal of asbestos.
