Respectful *Funeral Service*

*A funeral is deeply personal.
It is an opportunity to say
goodbye, to mourn a loss
and to celebrate the life of a
relative, friend or loved one.*

To support and help our communities during times of bereavement, we have worked closely with local funeral directors to create a Respectful Funeral Service package.

Our aim is to create a funeral service package with our partners which is respectful, affordable and local.

Our Partners are offering a tailored funeral package with savings of approximately 29% to 61% of the Scottish average cost for funeral directors services of £2839.01 (2018).

The Respectful Funeral Service is dignified and professional but still affordable, and provides an alternative choice to consider for your departed friend, relative or loved one.

Our package includes:

- collection of the deceased from within East Ayrshire or any NHS Ayrshire and Arran property (mainland)
- care and preparation of the deceased
- a choice of coffin ranging from light or dark wood effect or environmental.
- a place of rest and viewing facilities
- a hearse and one family car
- arrangements on the day of the funeral

Additional services include:
