

EAST AYRSHIRE CHILD PROTECTION COMMITTEE

PRACTITIONER BRIEFING NOTE

NO 12

TOPIC: CHILD PROTECTION AND DISABILITY TOOLKIT

BRIEFING: WithScotland and the Scottish Government's Ministerial Working Group on Child Protection and Disability have developed the above mentioned resource. It is aimed at practitioners and managers in child and family and disability services and is the only toolkit of its kind available to practitioners in Scotland.

The Toolkit includes information on research, a set of training and resource materials designed to help professionals understand the issues and good practice guidance available to supplement the Scottish Government National Guidance for Child Protection in Scotland 2014. It also contains sections such as 'myth busters', case studies as well as a DVD in which disabled parents speak of their experiences. The Child Protection and Disability Toolkit can be accessed via the hyperlink below, which takes you to WithScotland's website Training Section, where you can download the resource material.

The Child Protection Committee has agreed that reference to this toolkit will be integrated through all child protection learning and development events and practitioner seminars etc.
