Risk Management

The Head of Finance and ICT of East Ayrshire Council has considered and taken steps to address any risks to which the Charity may be exposed, in particular those related to its operation and finances, and Trustees are satisfied that systems are in place to mitigate exposure to risks.

Management of Funds and Investment Policy

The Trustees rely upon the expertise of East Ayrshire Council to manage the investments to ensure the maximum return at least risk to the Charity. In this way, the income stream for the future benefit of the Charity is protected.

The funds of the Charity are deposited with East Ayrshire Council. The interest received is shown in the Statement of Receipts and Payments.

OBJECTIVES AND ACTIVITIES

The whole fund is to be applied in providing at the coast or in the country special nursing treatment or a holiday (for a period not exceeding three weeks in each case) for individuals who are in recovery or convalescing, or who have a permanent, chronic or terminal medical condition, who are natives of or resident in Kilmarnock and who are recommended by their medical attendants (who must be registered and qualified practitioners) and who, through straitened circumstances, would have difficulty paying therefore, and for their carers and/or family as determined by the Trustees.

The Trustees may also make such awards as they determine to be appropriate to encourage and support the activities and the work undertaken by groups and organisations that support the individuals described above, providing any such awards are to be used in the spirit of the Trust purpose.

ARCHIBALD TAYLOR FUND
INDEPENDENT AUDITORS' REPORT
YEAR ENDED 31 MARCH 2020

Independent auditor's report to the trustees of Archibald Taylor Fund and the Accounts Commission

Report on the audit of the financial statements

Opinion on financial statements

We certify that we have audited the financial statements in the statement of accounts of Archibald Taylor Fund for the year ended 31 March 2020 under Part VII of the Local Government (Scotland) Act 1973 and section 44(1)(c) of the Charities and Trustee Investment (Scotland) Act 2005. The financial statements comprise the Statement of Receipts and Payments, the Statement of Balances and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and a receipts and payments basis.

In our opinion the accompanying financial statements:

- properly present the receipts and payments of the charity for the year ended 31 March 2020 and its statement of balances at that date; and
- have been prepared in accordance with the requirements of the Charities and Trustee Investment (Scotland) Act 2005, and regulations 9(1),(2) and (3) of The Charities Accounts (Scotland) Regulations 2006.

Basis for opinion

We conducted our audit in accordance with applicable law and International Standards on Auditing (UK) (ISAs (UK)), as required by the [Code of Audit Practice](#) approved by the Accounts Commission for Scotland. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of the trustees for the financial statements

The trustees are responsible for the preparation of financial statements which properly present the receipts and payments of the charity, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of the auditor's responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Other information in the statement of accounts

The trustees are responsible for the other information in the statement of accounts. The other information comprises the information other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon except on matters prescribed by the Accounts Commission or required by applicable law to the extent explicitly stated later in this report.

In connection with our audit of the financial statements, our responsibility is to read all the other information in the statement of accounts and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Report on other requirements

Opinion on matter prescribed by the Accounts Commission

In our opinion, based on the work undertaken in the course of the audit the information given in the Trustees' Annual Report for the financial year for which the financial statements are prepared is consistent with the financial statements and that report has been prepared in accordance with The Charities Accounts (Scotland) Regulations 2006.

Matters on which we are required to report by exception

We are required by The Charity Accounts (Scotland) Regulations 2006 to report to you if, in our opinion:

- proper accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records; or
- we have not received all the information and explanations we require for our audit.

We have nothing to report in respect of these matters.

Use of our report

This report is made solely to the parties to whom it is addressed in accordance with Part VII of the Local Government (Scotland) Act 1973 and for no other purpose. In accordance with paragraph 120 of the Code of Audit Practice, we do not undertake to have responsibilities to members or officers, in their individual capacities, or to third parties.
