

## PROJECT NEWSLETTER

August 2016

### WHATRIGGS PRIMARY AND EARLY CHILDHOOD CENTRE

The project is now into the next phase with the installation of foundations and the new car-park underway, as shown in the photographs. With increased traffic movements to and from the site we will ensure minimal impact on the surrounding roads and have employed a full time gate man to assist with this.

With the road closure now in place we will carry out investigation digs for services prior to roundabout works commencing. This will involve fencing off the triangular grassed area to ensure safe segregation during these works. Further phases for the roundabout works will be clearly communicated to you prior to starting.

We are pleased to announce that we have employed local labour in the form of a Document Controller, Site Cleaner and Site Gateman on the project.

Employment opportunities within the local area is important to Morrison Construction.

Please do not hesitate to contact us in relation to job opportunities within Morrison Construction and our Supply Chain.

## HAVE A LOOK

Please pop by and have a look at our progress through our designated viewing panels. We also have a Hunt the Hazard game that further reinforces the dangers for kids on construction sites.

We encourage you to come along and have a go!!

## ACTION TAKEN

Following on from a neighbour's observation we took immediate action to correct our roadwork signage and fencing to allow for a safer crossing point.

If you have any further recommendations or issues please contact the Site Office or –

David Wright – Project Manager **07484 041695**

Craig Sneddon – Site Manager **07484 041607**
