WHATRIGGS PRIMARY AND EARLY CHILDHOOD CENTRE - PROGRESS

As shown in the pictures our internal fit-out process is well underway with the first classroom nearing completion.

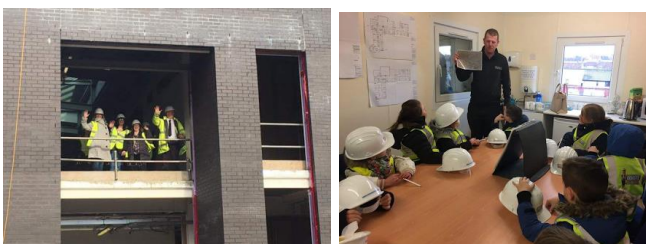

The main corridor break-out areas and roof lights are taking shape internally as well with all services runs in place to feed the classrooms with air-conditioning, power, data and water.

The artificial pitch formation is well underway with the perimeter fence installation almost complete.

On the roof, the photo-voltaic system(Solar Panels) has also started

PRIMARY SCHOOL VISITS – TEACHERS AND PUPILS

This month we welcomed visitors from both pupils and teachers to our site.

The pupils continued their excellent Pupil Press Pack project which allows access to tour the site with the Project Manager David Wright and also a question and answer session on their observations from the construction process.

We also welcomed teachers and support staff to site to get their first look at their new home. This gave the teachers an awareness and feeling for the new teaching space. The break out and corridor space particularly impressed them.

FUNDRAISING PRIZE !!!!!!!

This week Eddie Watt from Morrison Construction presented the Bellfield Parent Council with an iPad.

The iPad will be the star prize in an upcoming fundraising raffle.
