

## PROJECT NEWSLETTER

January 2017

### WHATRIGGS PRIMARY AND EARLY CHILDHOOD CENTRE

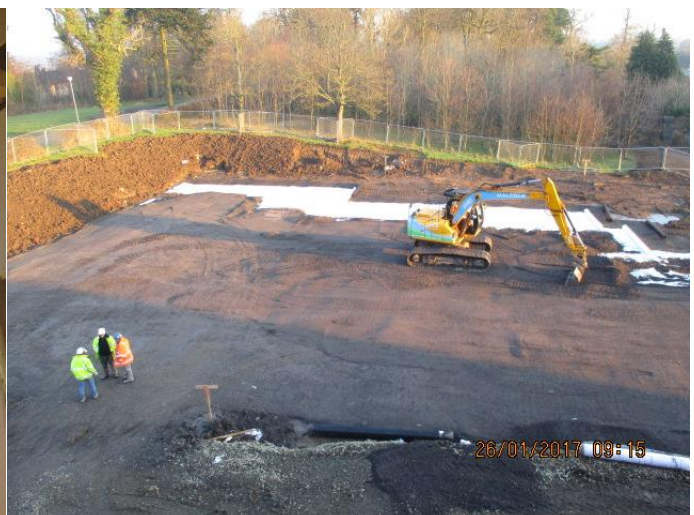

The roof has now been completed and the roof lights, for allowing natural light inside the building, have also been installed.

The external envelope is also making good progress with the east elevation brickwork entirely complete and all other elevations well under way.

The external synthetic football pitch to the north of the site has commenced.

Internally the class rooms are taking shape with all the wall partitions now installed and we are currently installing the heating and ducting systems. The underfloor heating installation will also be commencing shortly.

## SCHOOL GARDEN DESIGN COMPETITION

We again welcomed a group of pupils from both Bellfield and Kirkstyle Primary Schools to engage with the site team and to take part in a site tour as part of the Whatriggs Community Press Pack. A competition has begun to design the schools new community garden which will be installed as part of the permanent soft landscaping plans.
