WHATRIGGS PRIMARY AND EARLY CHILDHOOD CENTRE

LEFT – From the progress photos you can see that the roofing and external façade works are well under way.

All concrete floor pours are now complete and we have commenced the internal room partition and blockwork construction.

The external road realignment is now largely complete and we thank you for your patience during these works.

**WE NOW HAVE A DEFIBRILATOR

AND IS AVAILABLE TO ALL
MEMBERS OF THE PUBLIC IF

BENEFITS IN THE COMMUNITY

As a Considerate Contractor working within the community we installed a disabled access ramp to the Kilmarnock South Parish Church as a thank you for allowing the site to use the facility.

PRIMARY SCHOOL PRESS PACK!!!!

We welcomed our first group of pupils from both Bellfield and Kirkstyle Primary Schools to engage with the site team and took part in a site tour. The pupils then interviewed and questioned the project team on various stages of the project, our roles within the construction team and our various skills we have gained within our career.
