Carriageway Widening – Sutherland Drive, Kilmarnock

J H Civil Engineering Ltd., in conjunction with Ayrshire Roads Alliance, will be carrying out road improvement works to the public road adjacent to your property in conjunction with the construction of the new Learning Campus.

Work is due to commence on Sutherland Drive, Kilmarnock on Monday 16th November and is expected to last for approximately 10 weeks.

The road will be closed in a Southbound direction from Monday 16th November 2015 until works are complete (10 weeks or sooner). Please note that when the work is in the proximity of your property, parking will be prohibited during this time and you will require to find alternative parking, however, parking will be available at times where the 'No Waiting' cones are not in place outside the working limits.

The work is being carried out with the permission of Ayrshire Road Alliance and Police Scotland and in strict accordance with the New Roads & Street Works Act.

We would like to apologise in advance for any inconvenience that these essential works may cause. Please be assured that we will endeavour to keep disruption to an absolute minimum.

I trust the above to be in order but should you require any further information, please contact Keith Jolly on 01563 503051 or Keith Stewart on 01563 503168.

Your co-operation in this matter is much appreciated.

Yours faithfully,

J Higgins
Director
